

Courses of Study for Associate Degree in Arts (2 Years Programme)

- Students will have to study three Compulsory, two Elective and one **Optional Subject**.
- Compulsory subjects are English, Pakistan Studies and Islamiyat.
- There will be no other practical subject with Fine Arts. (Ethics for Non-Muslims)
- Optional Subjects are Persian/Islamiyat and Arabic.
These subjects will be offered in Associate Degree Programme Part-II
- Only that Optional Subject should be selected which is not taken as an elective subjects.

Guidelines for Subject Selection:

- Students will opt for any one combination for Elective Subjects.
- Due to limited seats in the subject of Fine Arts, preference will be given to old Queen Marians who have studied the subject of Fine Arts at Intermediate level.
- Students who wish to study Fine Arts and English (Elective) are required to qualify an aptitude test in these subjects according to the date advertised in the newspaper by the College.
- Students opting for Economics or Psychology must have studied these subjects at Intermediate level.
- Those students who have done F.Sc. (Pre-Med., Pre-Eng. can apply for Economics and Psychology, but they have to qualify for the respective subjects after admission in the December Examinations.
- Change of subjects will depend on the merit and availability of seats.
